Team PALM (Fardin Sadman, Zakia Mahabub, Kamil Syed),

I was impressed by your Capstone Project (2020-2021) with Professor Zhigang Zhu at the City College of New York, entitled:

PALM: A Learning Application for Children with Down Syndrome

Therefore, I am pleased to provide a personal gift of \$1,000, for your work in developing a learning app that I believe can help a lot of children with Down Syndrome.

Best wishes,

Dr. Xiaoyan Li
